## Research Interests

phonology, phonetics, and their interfaces with morphology, syntax, semantics and pragmatics
linguistic fieldwork, sociolinguistics, experimental linguistics, clinical linguistics

## Employment

**Associate professor** – Department of Linguistics, Chungnam National University — September 2025 – present

**Assistant professor** – Department of Linguistics, Chungnam National University — March 2020 – August 2025

**Assistant professor** – Department of English Education, Ewha Womans University — March 2018 – February 2020

**Post-doctoral research associate** – University of Toronto Scarborough — September 2016 – February 2018

- PI: Professor Yoonjung Kang
- Participating in SSHRC (The Social Sciences and Humanities Research Council of Canada)-funded research projects
    - "A corpus-based study of Korean dialects: microvariation and language universals"
    - "Bilingualism, perceptual drift, and regularization of loanwords"

## Education

**Ph.D.** — Massachusetts Institute of Technology — 2016
Linguistics, with specializations in phonology and phonetics

- Thesis: A theory of consonant cluster perception and vowel epenthesis (URI: http://hdl.handle.net/1721.1/107089)
- Committee: Professor Donca Steriade, Edward Flemming, Michael Kenstowicz, Adam Albright

**M.A.** — Seoul National University, Seoul, Korea — 2010
Linguistics

- Thesis: The typology of compensatory lengthening: A phonetically-based Optimality Theoretic approach

**B.A.** — Seoul National University, Seoul, Korea 2007
Linguistics, *Summa Cum Laude*

- Thesis: Phonological patterns of the glides in Arabic

## Other academic experience

*DGfS-CNRS Summer School on Linguistic Typology* 2010

- Co-organized by the Deutsche Gesellschaft für Sprachwissenschaft (DGfS), the Max Planck Institute for Evolutionary Anthropology, the University of Leipzig, and the Fédération Typologie et Universaux Linguistiques (CNRS, Paris), Leipzig, Germany

*44th Session of Intensive Arabic Courses* 2008

- Institute Bourguiba of Modern Languages, Tunis, Tunisia
- Also took classes of Tunisian Arabic and Arabic calligraphy

*An Introductory Course of Old Persian* 2007

- Korean Bible Society, Seoul, Korea (Lecturer: Prof. Chul-Hyun Bae)

*Historical Linguistics of Biblical Hebrew* 2007

- Korean Bible Society, Seoul, Korea (Lecturer: Prof. Chul-Hyun Bae)

*An Introductory Arabic Language Course* 2005

- Dar Al-Uloum (Center for Language Training), Cairo University, Cairo, Egypt

# Grants

## External Grants

**Research Grant,** National Museum of World Writing Systems (Collaborator; PI: Prof. Sangchul Park), KRW 20,000,000 — 2026
- "2026 Research on Endangered Language Documentation and Archive Development"

**Young Researcher Program,** National Research Foundation of Korea (Grant No. NRF-2025S1A5A8007922), KRW 60,000,000 — 2025-2028
- "Analyzing Korean subphonemic variation based on a feature-cue-based speech labeling system"

**Insight Grant,** Social Sciences and Humanities Research Council (SSHRC), Canada (Collaborator; Grant No. 435-2020-0209; PI: Prof. Yoonjung Kang), CAD 183,278 — 2020-2024
- "Speech rate and sound change: From today's variation to tomorrow's innovation"

**Young Researcher Program,** National Research Foundation of Korea (Grant No. NRF-2020S1A5A8046956), KRW 20,000,000 — 2020-2021
- "Vowel epenthesis driven by non-structural factors in American English"

## Internal Grants

**Faculty Research Grant,** Chungnam National University (Grant No. 2025-1676-01), KRW 3,000,000 — 2025

**Faculty Research Grant,** Chungnam National University (Grant No. 2023-0705-01), KRW 3,000,000 — 2023

**Faculty Research Grant,** Chungnam National University (Grant No. 2022-0855-01), KRW 3,000,000 — 2022

**Interdisciplinary Research Support Program for Humanities and Social Sciences (funded by the University Innovation Support Project),** Chungnam National University (Grant No. 2021-2047-01), KRW 20,000,000 — 2021

**New Faculty Research Grant,** Chungnam National University (Grant No. 2021-0614-01), KRW 9,000,000 — 2021

**New Faculty Research Grant,** Chungnam National University (Grant No. 2020-0881-01), KRW 9,000,000 — 2020

## Awards and Fellowships

**Best Paper Award,** Korean Language Research Circle (“A corpus-based analysis of sociolinguistic variation in Korean intensifier usage”) — 2026

**Outstanding Teaching Award,** Chungnam National University — 2023

**Graduate Student Council travel fund,** Massachusetts Institute of Technology — 2013, 2014

**Ken Hale Fund for field research**, Massachusetts Institute of Technology — 2012

**Presidential fellowship,** Massachusetts Institute of Technology — 2010-2015

**Graduate teaching assistantship,** Seoul National University — 2009

**Scholarship for outstanding academic achievement,** Seoul National University — 2003-2008

**Grant for short-time research abroad,** Seoul National University — 2005, 2008
